

WELCOME

Hygge is Danish and means enjoying the good things in life in a cozy atmosphere. Ideally with friends and family and, of course, with good food and drinks. We've turned it into HYG.

Our place for the good life.

We love high-quality products, beautiful interiors, and a warm atmosphere. As a young team with a lot of experience and passion, we want one thing above all:
to have fun – and give you a really good time!

The HYG Team

At your service: Lukas Kroesen, Valentina Denz, Kristan Kost

In the kitchen: Felix Kattchin, Janosch Weber and Jeab Müller
